# The Competence Standard

## ICB 3.0 VISION

### 1.07 Teamwork

Projects are performed by teams of people, who are usually brought together specifically for the purpose of the project. Teamwork covers the management and leadership of team building, operating in teams and group dynamics. Teams are groups of people who work together to realise specific objectives.

.....

Team spirit (i.e. getting people to work well together) can be achieved through individual motivation, team goal setting, social events and supporting strategies.
